Session I - July 15 to July 26 • Session II - July 29 to August 9

Attention students in 6th, 7th, & 8th grade!

Join us for either or both of our two-week Career Exploration Camps at Mercer County Technical Schools.

The Summer Career Camps at MCTS will provide students with the opportunity to learn introductory skills, form new relationships with their peers, and learn more about themselves and their future goals by exploring different career pathways. Campers will also learn 21st Century life skills such as: working collaboratively with other campers, practicing time management, presenting ideas and project status to campers and staff, and acquiring team-building skills.

Registration Opens March 5th

CAMP DESCRIPTIONS

BIOLOGY BLAST/LIFE SCIENCE CAMP - SESSION 1 ONLY - ASSUNPINK

User-friendly, age appropriate projects teach students how to extract DNA, make a cell, dissect a frog, and more!

CAR CAMP - SYPEK

Use your imagination to build the car of your dreams with model car building and customization! Also, learn basic vehicle repair such as oil change, tire changing procedures, and vehicle detailing inside & out.

CODING AND ROBOTICS CAMP - SYPEK

Learn what makes a robot a robot! Build and program your bot to take on different challenges, scenarios, and compete against other teams.

COMPUTER GAME CREATION CAMP - SESSION 1 ONLY - ASSUNPINK

Design and create a video game using Roblox Studio! Learn to access community assets and add them to your game, then use Lua scripts to turn them into functional, interactive elements. Publish your game for free to share with family and friends!

CONSTRUCTION CAMP - SESSION 1 ONLY - ASSUNPINK

Get a glimpse into the trades by learning Electrical, HVAC, and Building. Build hands-on construction projects, and learn about careers beyond the trades and safety in the workplace!

CULINARY ARTS CAMP - SYPEK

Have a real-world cooking experience with our Chefs in our professional kitchen. Learn cooking techniques, baking, and participate in many unique culinary challenges!

ECO-VENTURE CAMP - SYPEK

Experience the sustainable environment with gardening, plants and real-life biology. Take a fun hands on dive into environmental science outdoors at the Sypek Creek.

GRAPHIC ARTS AND CRAFTS - SESSION 1 ONLY - SYPEK

Fun computer-based graphic and arts and crafts. Projects may include calendars, posters, Gelli ink printing, and t-shirt making.

POLICE & DETECTIVE CAMP - SYPEK

Spend time in a "Police Academy" environment, and conduct crime scene investigations like a real detective. Solve crimes and learn police procedures.
