<https://pharmacy.wisc.edu/programs/pharmd/before-you-apply/high-school-program/apply/>

Tuesday, July 31 - Saturday, August 4, 2018

The Pharmacy Summer Program (PSP) is a five-day summer program for rising high school juniors and seniors interested in learning more about pharmacy careers and the UW-Madison Doctor of Pharmacy Program. The Pharmacy Summer Program targets rising high school juniors and seniors from traditionally underrepresented groups in the health science fields. Students who identify as African-American/Black, Native American/American Indian, Latino/a, Laotian, Vietnamese, Hmong, Cambodian are especially encouraged to apply.

Pharmacy Summer Program activities will include:

Compounding lab demonstrations and activities (preparing personalized medications)

Pharmacotherapy lab activities (treatment of disease/illness with medications)

Tour different types of pharmacies

Faculty and current student panels

School of Pharmacy research opportunities

Informational session on pharmacy school admissions

UW-Madison campus tour and activities
