What You Should Know....

- ❑ Courses are offered to NHS students on a “first come, first serve” basis.
- ❑ Attendance is **mandatory** as the course only meets once per week.
- ❑ Withdrawal after the course begins will result in a **\$350 processing fee.**
- ❑ Students are required to purchase textbooks and classroom supplies, which can vary per course.

What is College Dual Enrollment?

Dual enrollment is a program that allows eligible high school students currently attending Newburyport High School to simultaneously enroll in a college course. College credits earned through dual enrollment count for both high school and college. This program allows students to progress to their next academic challenge without having to wait until high school graduation. Benefits include:

- ❑ Jump starting your college career
- ❑ **Tuition Free-Course funded by the NEF**
- ❑ Earn both college and high school credits
- ❑ Potentially shorten the time to earn a college degree
- ❑ Provides a wider range of course options for our NHS students.
- ❑ Earn college credits that are potentially transferable to other institutions
- ❑ Rigorous and challenging college course work
- ❑ Courses are taught by college professors
- ❑ At completion of course students will receive a college transcript with a grade.
