WELCOME!

NEW! SUMMER ACTIVITIES, CAMPS AND CLASSES OFFERED DISTRICTWIDE

NEW OPPORTUNITIES FOR PRESCHOOLERS AND KINDERGARTENERS, TOO!

Summer is a great time to meet friends, learn new things and make fun memories! Anoka-Hennepin Community Education is excited to offer awesome activities and learning opportunities for children ages three to fifteen years of age at school sites across the district.

Programs are designed to appeal to the interests of youth while providing academic and social experiences that support their learning and growth over the summer.

For preschoolers, too.

Enrichment activities and athletics are also available for children ages three to six. These classes are designed to encourage participation and independence. Programs are held at various Anoka-Hennepin schools across the district, which also helps introduce young children to a classroom setting in preparation for kindergarten and beyond.

Enroll today!

Enjoy your summer! Kick back and relax, assured that your child is involved in engaging and productive activities. Reserve your space today. Register using the form on page 13 or visit www.discovercommunityed.com. Call 763-506-5144 to learn more.

Registration is first-come, first-serve. Programs are made possible by Anoka-Hennepin Community Education.

PLEASE NOTE:

Offices will be closed Monday, May 30, and Monday, July 4.

Community Education welcomes participants of all abilities

People with disabilities registering for community education programs may request reasonable accommodations with advance notice. To request an accommodation, please write your accommodation needs on the registration form. This document will be provided in alternate formats with 3-days notice.

Community Education funds, including participant fees, paid for the printing and distribution of this publication. Regular K-12 instruction funding was not used.

TRACK AND FIELD CAMP

Track and field combines technical development, fundamental techniques and safety with a major focus on fun! Using special equipment, our staff teach the standard track and field events: long distance, sprints, relays, shot put, discus, and standing long-jump. Our exercises and drills prepare you for a future in cross-country, track and field events, and distance running, while inspiring a love for running and being active. Participants put it all together for one fun-filled day at the SkyHawks track meet! Bring appropriate clothing, two snacks, a water bottle, running shoes, and sunscreen. T-shirt and merit award included. *Presented by SkyHawks Sports Academy*

Fee: \$95

DISCOVER!

Camp Invention®

We're building the future one thinker at a time

Camp Invention is where big ideas become the next big thing! Work in teams to seek solutions to real-world problems, turn ordinary into extraordinary and sharpen critical 21st century learning skills:

- Brainstorm product ideas and build original prototypes and models of innovative eco-adventures while exploring principles of entrepreneurship and physics.
- Construct and personalize a DIY solar-powered cricket with a unique habitat.
- Discover the science of slime demolition, electronic sound, giant squid and coding.
- Explore the science of 3-D printing and tinkering with circuits.

June 20-24 Monday-Friday
Coon Rapids Middle School
9 a.m.-3:30 p.m.

For students entering grades one-six
Fee: \$230

To register call 1-800-968-4332
or www.campinvention.org
Registration fee includes a camp t-shirt.

*Presented in partnership with
the United States Patent and
Trademark Office.*

AMAZING LEGO® ROBOTICS

Are you passionate about science, technology, engineering and math? Then this computer-based camp is for you. Working in pairs we'll explore logic, pattern recognition and math concepts as we build increasingly sophisticated WeDo Lego designs, and develop basic programming techniques using custom-made programming blocks. Bring a nut-free snack and beverage. *Presented by TechTacToe*

AVIATION CLUB

Do you like airplanes? Want to learn how to fly a real radio-controlled (RC) airplane? Then join the Aviation Club and get hands-on experience with our cool RC airplanes! Learn the ins and outs of the aviation world. You will have plenty of one-on-one instructor time to help with assembly and flying Jackson Middle School flight simulator and school-owned airplanes. Parents are invited to watch. Meet at the Grassfield RC Club, 8901 101 Ave. N., Brooklyn Park. If rain or windy, meet at Jackson Middle School. Students are required to bring a completed Academy of Model Aeronautics form to the first day of class.

BABYSITTING PREPARATION

Prepare yourself for future babysitting jobs so you can earn some extra spending money. You'll learn games to play with children of all ages, age-appropriate food and treats, as well as safety and first aid tips.

Date/Day	Location	Age	Wks	Time	Number	Fee
July 12 T	Ramsey	9-10	1	10 am-2 pm	CS154-3H3-SU	\$69

BABYSITTING: AMERICAN RED CROSS CERTIFIED

Parents are looking for certified babysitters! Get a leg up on the competition with this American Red Cross class that prepares you for a wide variety of babysitting situations. Through hands-on activities, you'll learn about the basic care of young children including safety and responsibility, age-appropriate activities and first aid. Boys and girls at least 11 years of age are welcome to participate. Class includes a comprehensive babysitting manual. Must complete the entire class to receive certification. Bring lunch and snack. Class size is limited, so register early.

June 20 M-Th	Ramsey	6-12	1	9 am-Noon	CS154-3M8-SU	\$135

GOGREEN! KIDZ: MEAN, GREEN, AND XTREME CIRCUITS

Discover the world of green energy: wind, solar, water and manual power. Learn how these green power sources work from the inside out. Come explore and build circuits from electronic components such as capacitors, resistors, LED, and switches for a radio, fan, clock, and more - all powered by green power sources. On the last day, teams will complete the solar rover challenge. *Presented by GoSolar Kids*

Date/Day	Location	Age	Wks	Time	Number	Fee
July 25 M-Th	Ramsey	8-11	1	1-4 pm	CS154-3M7-SU	\$139
August 1 M-Th	JMS	8-11	1	1-4 pm	CS154-3M7-SU	\$139

GOGREEN! KIDZ: SOLAR CAR, ROBOT, AND MACHINES

Stimulate your creativity by designing and building epic, solar-powered cars, robots, and machines from easy-to-assemble parts. In addition, build solar-powered cranes, lift bridges, and many other designs while exploring the world of solar energy and learning how to problem solve and stretch your imagination. *Presented by GoSolar Kids*

Date/Day	Location	Age	Wks	Time	Number	Fee

EXPLORE!

TECHNO TINKERING AND GIZMOS

Put your building skills to the test as a techno engineer. Don't miss this chance to learn how toys worked before batteries as you investigate motion, gravity, energy and more. Explore modern toys by learning about electrical circuits, on/off switches and motors. Build your own tinkering kit, which includes a motor, batteries, wires and other simple supplies, as well as design and construct a moving techno-creature toy to take home. *Presented by Science Explorers*

July 25 M-Th	Ramsey	3.5-6	1	10 am-Noon	CS154-3M11-SU	\$89

ROBOTIC BUILDERS

Come explore different robotic themes! Possible models include: Dancing Birds, Hungry Alligator, Goal Kicker, Rescue Plane, and a Smart Spinner. Don't miss the opportunity to work in teams with simple machines as we design, create and program models, measure time and distance, write, and more. Build LEGO® models featuring working motors, tilt sensors, motion detectors, and Lego USB Robotics Hub. Bring a nut-free snack and beverage. *Presented by Computer Explorers*

Date/Day	Location	Age	Wks	Time	Number	Fee
July 25 M/W	JMS	5-9	1	9 am-Noon	CS154-3M17-SU	\$69

ROCKET BLAST

3-2-1 blast off! This action-packed camp focuses solely on rockets and rocket flight. Come explore model rocket design, building, aerodynamics, propulsion, launching, safety, recovery, and repair. Take part in daily launches and bring home your very own rockets and an abundance of model rocket knowledge. *Presented by Mad Science*

Date/Day	Location	Age	Wks	Time	Number	Fee
August 1 M-Th	Ramsey	7-12	1	9 am-Noon	CS154-3M10-SU	\$145

YODA'S AMAZING LAB

Are you fascinated by chemistry? Join us as we explore the invisible forces in nature. Become a young apprentice exploring chemistry through amazing chemical reactions and testing the principles of physics through fascinating experiments! Create a mini glow-in-the-dark light saber, slime, and many "more surprises from Yoda's lab. Bring a nut-free snack and beverage. *Presented by TechTacToe*

STEM Camps: (Science, Technology, Engineering and Math) camps are designed and sponsored by Anoka Technical College (ATC), Anoka-Ramsey Community College and the Anoka-Hennepin Schools STEM program. Camps are taught by experienced instructors who have worked in their field of expertise! Lunch and snacks provided. Parent/guardian must provide transportation. Registration deadline is June 3. Questions? Call Marv Johnson at 763-506-1267.

GIRLS ONLY! CAREER EXPLORATION CAMP

Attention girls entering grades 7-9! Learn about careers by doing hands-on projects and field trips. Explore careers including welding, architecture, and information technology.

Date/Day	Location	Grade	Wks	Time	Number	Fee
June 21 T-Th	ATC	7-9	1	9 am-3 pm	ST300-4M1-SU01	\$15

"My intention of sending my daughter was to expose her to something completely different than anything she had done before and we succeeded".
Career Exploration camp parent

SCRUBS CAMP FOR MALE STUDENTS

Attention boys entering grades 7-9! Explore medical careers by doing hands-on projects and field trips. Learn medical terminology, explore careers in sports medicine, surgery, veterinary, medical imaging, emergency medical, occupational and physical therapy, and much more.

Date/Day	Location	Grade	Wks	Time	Number	Fee
June 21 T-Th	ATC	7-9	1	9 am-3 pm	ST300-4M1-SU02	\$15

"Very good program. Our son wants to return next year. Both the boys we brought loved the field trips and hands-on interaction".
Career Exploration camp parent

GAMING!

ADVANCED MINECRAFT: USING MODS, REDSTONE AND TEXTURES

One of the most popular video games in history offers an amazing world of endless possibilities - limited only by your imagination! Learn how to expand their world's abilities using popular game-enhancing mods. Participate in building challenges; learn more about Redstone, from basic mining and logic circuits to more advanced circuits. Build traps, arrow launchers, faster rail systems and more. Bring a nut-free snack and beverage. *Presented by Computer Explorers*

Registration Information and Frequently Asked Questions

Questions? Call Community Schools at 763-506-5144. *After June 11, calls are answered Monday-Thursday from 9 a.m.-1 p.m. Office will be closed Monday, May 30 and Monday, July 4.

Online registration

Register for Community Schools activities at www.discovercommunityed.com – convenient, secure, 24-hour registration using your Visa, MasterCard or Discover Card. Click on "register" enter the class name into the search box or scroll to the bottom of page for two options, Preschool enrichment or Youth activities & classes districtwide.

Mail-in or drop-off registration

Community Schools -
Educational Service Center, door No. 8
2727 N. Ferry Street, Anoka, MN 55303
**Use drop box after hours*

Fee assistance

Limited fee assistance is available for students receiving free or reduced lunch. For more information, call 763-506-1260.

Inclement weather

Decision to cancel will be made by instructors at the class location just prior to class time. All outdoor activities that are cancelled will not be rescheduled or refunded.

Payment

You may pay with a personal check, cash or credit card. Make checks payable to Anoka-Hennepin ISD No. 11. Registrations are not complete without payment. A registration confirmation will be emailed to you if an email address is provided. Classes are filled on a first-come, first-serve basis. Activities with low enrollment will be cancelled. Participants will be notified and payment refunded.

Refund policy

Customer initiated cancellations made at least five business days before the class is scheduled to start may qualify for a refund less \$10. Customer initiated cancellations made less than five business days are not eligible for a refund.
