

# Summer Learning Opportunities

**June 17 - August 1**

We are excited to offer summer learning opportunities for students entering kindergarten-8th grade in the 2024-25 school year. All programs are free but space is limited. Deadline to register is May 31.

## **IMPORTANT INFORMATION FOR ALL PROGRAMS:**

- Run for six weeks, Monday-Thursday, June 17-August 1.
- Closed July 1-4.
- 8:30 a.m. - 12:00 p.m.
- Breakfast and lunch are provided.
- Held at Salk Elementary School, 17601 15 Mile Road, Clinton Township.
- Transportation to and from your home school is available for in-district students.
- ***Families will receive confirmation of program enrollment and more information in June.***

## **QUESTIONS**

For questions about the summer programs, please contact:

Kate Fitzpatrick, [marykate.fitzpatrick@fraserk12.org](mailto:marykate.fitzpatrick@fraserk12.org).

# KinderConnect

**For students entering kindergarten**

Students will start the day with breakfast before spending the morning immersed in literacy and math activities, giving them a boost of learning after school lets out and before returning to school in the Fall. All students will be provided lunch at the end of their day as well.

*Teacher recommendation preferred*

**Register for KinderConnect**

# First Grade Fundamentals

**For students entering 1st grade**

Students will start the day with breakfast before spending the morning immersed in literacy and math activities, giving them a boost of learning after school lets out and before returning to school in the Fall. All students will be provided lunch at the end of their day as well.

*Teacher recommendation preferred*

**Register for First Fundamentals**

## Register for Summer Scholars

# STEM & Literacy

**For students entering 2nd-4th grade**

Students will:

- Learn from high-interest, science-based texts focused on developing craft, structure, vocabulary, and using knowledge and ideas
- Engage in STEM activities and experiments focused on developing rich content knowledge and a love for scientific exploration
- Design and explore science concepts through an inquiry and investigative approach and framework

## Register for STEM & Literacy

# Math Mindset

**For students entering 6th-8th grade**

The Macomb Intermediate School District, in collaboration with Fraser Public Schools is offering a summer school program for students entering 6th-8th grades.

This academic program consists of mathematical mindset messages, number talks, problem-based lessons, and classroom activities from the inspirational math series on [www.youcubed.org](http://www.youcubed.org).

This program integrates engaging activities with interactive software to help correct students' misconceptions in mathematics and help develop a conceptual understanding of concepts needed to be successful in algebra.

**Register for Math Mindset**

# Readers & Writers

**For students entering 6th-8th grade**

Students will:

- Be provided with daily opportunities to read, write, and discuss their ideas with peers.
- Organize their learning in a readers-writers notebook, with the course ending in a culminating multi-genre project that answers the thematic question, "What makes me who I am?"
- Work toward their individualized reading and writing goals, and share their best work with an audience beyond the classroom

**Register for Readers & Writers**
