Union County Public School Guidelines

> **Summer classes are condensed into 8 weeks. Students need to commit about 5 hours daily to working on the class.**

> Online learning is not the best type of instruction for all students. Please note that online instruction is not an "easy way out" to avoid harder classes or extra work. Online classes follow the same syllabus as traditional classroom courses.

> To complete the course work required through UC Virtual or North Carolina Virtual Public School, students must have regular access to the inter-net and a computer which meets the North Carolina Virtual Public School system requirements

> Courses taken and the final grade earned will be calculated in the student's grade point average and class rank and will appear on the final transcript.

> **Last day to drop a class is June 23rd. After the drop date, the course and grade will appear on the student's transcript.**

Parent/Student Commitment Agreement

We understand the responsibility and the commitment required of an online course. We agree to abide by the procedures, deadlines and grades set forth by the Union County Public Schools, the N.C. Virtual Public School, and the online instructor. We understand that UC Virtual and N.C. Virtual Public School reserves the right to cancel a course if the minimum student enrollment is not met. We understand the guidance listed above.
