Union County Public School Guidelines

> **Summer classes are condensed into 8 weeks. Students need to commit about 5 hours daily to working on the class.**

> Online learning is not the best type of instruction for all students. Please note that online instruction is not an “easy way out” to avoid harder classes or extra work. Online classes follow the same syllabus as traditional classroom courses.

> To complete the course work required through UC Virtual or North Carolina Virtual Public School, students must have regular access to the internet and a computer which meets the North Carolina Virtual Public School system requirements

> Courses taken and the final grade earned will be calculated in the student’s grade point average and class rank and will appear on the final transcript.

> **Last day to drop a class is June 21st. After the drop date, the course and grade will appear on the student’s transcript.**
