

The 100 Book Reading Challenge for Summer 2020!

Are you ready to test your skills for becoming a Super Reader?

Simply color a book on the back of this sheet for every book you read. Students who read grade level appropriate chapter books may count 1 chapter as one book. At the beginning of the school year, turn your form in with your name, grade level, and teacher's name. Finally, create something to share with Mrs. Sanford for the library that tells about your favorite book. You can find some great ideas at [Scholastic](https://www.scholastic.com). You may also find this link on Mrs. Sanford's website. 😊

Award Levels:

- ✦ 10 books or 1 shelf: Super Reader Sack (treat bag) and 2 tickets to enter a drawing for a Scholastic book fair \$25 gift certificate.
