FEEL FREE TO SHARE!

Mrs. Shattenkirk would love it if you could share your skills, talents, and interests (or develop some new ones) when you return in September! What you create is up to you; it could be a game, toy, instrument, garden, film or song, but don't limit yourself to these. Let loose, have fun, and do something cool that you can share with your classmates in September. If it is a process, be sure to take photos.
