Directions for Summer Reading Log

Read your book, either by yourself or with another person. If possible, reread parts that you especially like or that seem most important.

1. Think about your book. If possible, talk to another person about some or all of these questions:

- What scene in the book stands out in your memory?
 - What was the main character like?
 - Did the main character change during the book?
 - Was there a problem and how was it solved?
 - What would you have done if you had been in the story?
 - What new thing did you learn in this book?
 - Does the story remind you of something that happened to you? If so, how is your experience like the book?
- *** Required titles should be read by scholar rising from previous grade to next grade level.** Scholars in Grades PreK-1 are required to read the required title and select two titles of choice. Students may choose from a list of ten titles (see Summer Reading page) , from the public library's list, or other sources.
