

# Allendale Public Schools

## Summer Reading Opportunities

### Summer Book Clubs

We are excited to offer summer books clubs to students entering 1st - 12th grade! Your child can choose from dozens of book clubs to join and the book will be provided. Book clubs are led by Allendale teachers.

Students attend 2 book club meetings - one to receive the book and launch into reading and the other to celebrate completing the book. Summer reading is so important and participating in a book club is a great way to keep reading over the summer while also enjoying time with teachers and friends in the club!

To find out more about Elementary summer book clubs and to sign your child up for a club, scan the QR code or go to: <https://qrco.de/bc8SWU>

Ask your middle or high school student to check their email for book club opportunities they would enjoy.

### The Amazing Reading Bus

Visit the AMAZING Reading Bus at school or in a neighborhood near you!

For Routes and Schedules visit:
