

June 2022

Dear Rising 7th Graders,

Summer is the perfect time to read great books!

Castleton Public Library is offering a fun summer reading program and many activities! They have GREAT prizes! Did you see their booklet!?! Wow!

Other places to pick up a great book include:

garage sales,

local bookstores (especially when you're traveling),

Little Free Libraries (at CES! and MHJSHS! and when you're traveling!).

Parents, grandparents, older siblings, aunts and uncles, family friends - all can be fun reading partners. Ask them to make recommendations and read with you!

You can use your Overdrive account and Sora to download audio and ebooks all summer!

During the summer, select and read one book. While you are reading and after you finish the book, complete the questions on this sheet. An adult signature is required.

Bring the completed sheet to school by **Thursday, September 8, Friday, September 9, 2022**. We will use your responses for an activity in 7th grade English class.

Have a great time reading. I will be reading, too!
Mrs. Fowler
