

**May 10, 2022**

Dear Parents,

Minnewaska Area High School will be offering a summer school session this year for students to make up any failed credits. It is our hope that students who are behind on credits will attend summer school to recover any lost credit and get back on track for graduation.

The learning model for the summer credit recovery program will be **in person**. All sessions will be held Monday through Thursday in June from 8:00 AM to 12:00 PM.

**Summer School will be held at Minnewaska High School from: June 6-9, 13-16, 20-23, 27-30 from 8:00 AM-12:00 PM.**

Students may select a semester course to recover during summer school. Attendance is MANDATORY and in order to earn credit during this condensed session, **students must not accumulate more than two absences.**

**We recommend students who have failed any courses register for summer school. Retaking failed courses during the regular school year puts students at risk of falling behind and potentially not graduating on time. This is an excellent opportunity for students and it is my sincere hope that you encourage your student to register.** *Please complete the form if you intend to register your child and return to the high school office no later than Wednesday, May 25, 2022.*

Transportation will be provided at a Glenwood and Starbuck location for pickup and drop off.

A registration form will be located on the school website on the High School page under resources.

If you have any questions about the summer school program please contact our school counselor: Jen Ring at 320-239-4820 ext. 1216 or by email at [jring@isd.2149.org](mailto:jring@isd.2149.org) or the high school office. Thank you for your consideration of this important academic opportunity.

Sincerely,

Nate Meissner, MAHS Principal
