

STOP SUMMER SLIDE WITH SUMMER READING

Summer vacation means more than just fun in the sun. When students head out of the classroom and take a break from the books, they risk serious summer learning loss that can negatively impact long-term academic achievement.

Over time, these lost months add up to years. By the end of 5th grade, students who don't read during the summer fall nearly

2 YEARS BEHIND those who do.

By high school, 2/3 of the reading achievement gap can be attributed to summer learning loss during the elementary years.
