Welcome C-EB Students, Families, and Community!

We here at C-EB Schools would like to welcome you to the 2021-2022 school year! We are excited to start this year with in-person services. Our delivery method of instruction will be evaluated throughout the year and adjusted accordingly, as referenced within our Continuity of Services Plan. Our staff have been working diligently to ensure our curriculum, materials, electronic devices, and facilities are ready for students to learn in a well prepared, secure, safe, and caring environment.

We are excited to welcome our newest staff members to the C-EB Family. Of course, we are also delighted for the return of our dedicated teachers who you know and love as well. We look forward to working in partnership with you to ensure a successful year for all C-EB learners!

In order to provide an enhanced curriculum to prepare students for success in academics and in life, we will continue our social-emotional skills programs and support services for all learners. We will be entering our 2nd year of the new science curriculum and our 1st year of our new reading program. Our unified goal is to ensure our learners are equipped with the knowledge and skills necessary to be successful in all aspects of life!

We look forward to working with our families and community partners in building a positive and enriching school experience for all. You may access the C-EB School websites at www.ohitika.com and <https://ceb.k12.sd.us/index.php>, access the Cheyenne-Eagle Butte Schools Facebook page, review local news outlets, and receive announcements and information through parent mailings.

We would like to thank you for your partnership and dedication as we work together to support our learners and future. With a little positivity and hard work, there will be no stopping our learners from thriving. Let's work together to make this a spectacular year!

Many thanks,

Kara Four Bear
