Dear Parents and Students,   Spring 2024

We are excited to begin the registration process for the 2024-25 school year. SVHS counselors will present Registration information to high school students via a Homeroom presentation on FEBRUARY 20th. **Online course selections must be entered into Powerschool by Wednesday March 6th.** SVHS counselors will begin meeting one-on-one with students to review selections, beginning on March 6th. We hope to complete this process by Spring Break.

STEP ONE: VIEW REGISTRATION PRESENTATION IN HOMEROOM

- ✔ You will view the presentation/power point to get course sequence information
- ✔ Discuss course selection with your teachers and parents
- ✔ Decide on 8 TOP courses (4 core classes and 4 electives) as well as 4 ALTERNATE elective choices.
- ✔ **COMPLETE PAPER REGISTRATION WORKSHEET** with your choices- this will help guide you once you go into PowerSchool to enter your class selections.

If unsure of the level of class (College Prep or Honors) you should register for, please discuss this with your current teacher. Teachers will be submitting recommendations to counselors for core classes to ensure all students are scheduled appropriately.

Remember Pre and Co- Requisites (This information is found in the Program of Studies).
