Can you believe that this is officially the last assignment that will be given for AP Biology!! I just want to thank you all for a wonderful year. I appreciate your hard work, especially during this difficult time. I hope that you all have a safe, healthy, and happy summer! I also hope that the next part of your journey is fun and exciting. I wish you all the very best. Good luck...although you do not need it...you have skills!!

I miss you all. Stay healthy and peaceful, and continue to love Biology!
Sincerely...Mrs. Swogger 😊
