

SYKES A3 SUMMER CAMP

"Let There Be JOY"
Week 2

Welcome

We appreciate you allowing your child to participate in summer camp! Our teachers are working hard to build on the academic skills from the school year and give students a head start on what they will be learning this fall.

The Gr. 3 Retesting Group (3R) is working on advanced phonics, priority standards that will be tested, and test taking strategies. The 3R students should also be bringing home practice material weekly.

Enrichment

Students participate in sports and recreation in the afternoon. Please ensure students have appropriate (athletic) shoes to play. For safety, we ask that they not wear flip flops, Croc-type shoes, or any other footwear that comes off easily.

Students also need a bottle/container of water each day.

Cell Phones

.....

We recognize that parents may provide a cell phone to a student for safety or medical reasons. It is also recognized that these devices, which may be given with good intent, can become distractions and therefore negatively impact the school environment.

The possession of an electronic device is not a violation of the Code of Student Conduct. However, the possession of an electronic device when used to disturb/interfere with the education process and procedures, are infractions of the Code of Student Conduct.

Cellular phones and other personal electronic devices shall be turned off and kept out of sight, including the daily bus ride to and/or from school.

Transportation

.....

Please have bus riders ready in the morning. At this point, you probably have a sense of around what time the bus arrives. Bus drivers should not have to wait for the student. The student should be waiting on the bus and ready to load by the time the bus makes a complete stop.

Car riders should be picked up by 3 p.m. (3:15 at latest). Habitual late pick-ups may result in dismissal from program. Please be courteous of the staff and pick your child up timely.

Coming Up

.....

- 6/16/23 Natural Science Museum
- 6/19/23 Juneteenth (No School)
- 6/21/23 Children's Museum
- 8/22/23 Environmental Learning Center
