

1. What technology integration and collaborative activities did you complete with your teachers? Tech Steps
2. What technology integration activities did you complete with your students?
Tech Steps
Website evaluation
Digital Imaging
3. What technology professional development do you have planned (during the summer) or have completed? I am working on PD21:FLICKR
4. What were the most helpful/informative things you did this month? What made the biggest impact? Just helping teachers with their technology questions and recommending products

Goals:

Short Term: To finish FLICKR

Long Term: To plan teacher, student and parent training

Goal Accomplishments:

I need to follow-up on... Some technology issues with the 3rd grade teacher
