

Take PE Home Tub

I am very pleased that your IES student has earned the responsibility of bringing home the **“Take PE Home Tub”**. I hope that this will be an encouragement to you and your family towards building habits toward an active healthy lifestyle. I look forward to hearing about the creative ideas and activities your family came up with using the PE equipment.

Equipment Included:

- Soccer ball
- Playground ball
- Mini ball or Tennis ball
- Whiffle ball
- Flying Disc
- Single jump rope
- Long jump rope
- Foam Paddle
- Set of Speed Stack (12 cups)
- Orange scoop
- Chinese Jump Rope (2nd-4th Grade Tub only)

Also included is a spiral notebook for your IES student to write a paragraph or draw pictures about the ways your family used to the equipment. I would love to put on photos of your family being active with the equipment on the @IESMovinMAVS twitter and Instagram. Just email me photos you don't mind sharing so I can post them. You are under no obligation to send photo. I just love to show others how families are using the equipment.

On the reverse side of this insert is the date when the **Take PE Home Tub** needs to be returned in order to get it ready for the next student to take home.

Please don't hesitate to email me with your questions,

Thanks,
Coach Leach
