

Team Presentation Assignment

Instructions: You will be creating a 10 slide image presentation. This presentation will be given by another group of two in class. They will not have the opportunity to see the presentation prior to them presenting it to the class.

Requirements of Images

1. Must be quality and fill the slide as best as possible.
2. Must be appropriate to be shown in school.
3. Should not include any words.
4. Should include a variety of images which don't go together in a logical manner.
5. Include you and your partners names on the first slide of the presentation.
6. Submit to the google classroom area where it was assigned.

Ex:

Part II.

Each team of two will be selected to present another team's presentation. They will not have seen the images which they will be presenting.

Requirements for Presentation.

1. Introduction of team members.
2. Fictional expertise and accomplishments.
3. Must speak about the image of each slide as if they are experts and very knowledgeable.
4. The information can be completely made up to attempt to trick the audience with your knowledge.
5. Each image should be spoken about as a business or life lesson.
6. You aren't expected to be amazing, but be amazing anyway!
7. Have fun and don't take yourself too seriously!
