IMMUNIZATION REQUIREMENTS FOR 7TH Graders

Dear Parents/Guardians:

- **Students entering the 7th grade are required to have one dose of the MCV4 (Meningococcal), and one dose of the Tdap vaccine, prior to the start of school.**

You can obtain the Meningococcal and Tdap vaccine from your health care provider, community health center, or the Cuyahoga County Health Dept.

Please make an appointment with your child's health care provider to check that your child's immunizations are up to date.

Please do not hesitate to call me for any assistance. Please provide the updated immunization records to the school nurse.

Thank you in advance for your prompt attention to this matter.

T.Rozman, LSN, RN, BSN
