

SAT - The SAT is a college entrance examination. Students interested in taking the SAT must register for the exam online at the SAT website.

ACT - The ACT is a college entrance examination. The ACT is given for free to all juniors during a school day in late February/early March. If a student wants to take the exam more than once, they must register through the ACT website.

PSAT - The PSAT is a practice SAT exam administered for free to all sophomores during a school day in mid October.

WorkKeys - WorkKeys is a system of assessments, curriculum, and skill profiles that build and measure essential workplace skills that can affect job performance and increase opportunities for career changes and advancement. This assessment is administered to seniors.
