

## Atmosphere and Water Cycle Test Reflection and Test Corrections

Name \_\_\_\_\_ Class period \_\_\_\_\_ Today's Date \_\_\_\_\_

Directions: In order to receive credit, complete the reflection sheet and corrections on your test that is attached. Your test corrections and reflection sheet will be averaged with your original score, which may result in a higher score up to a C.

On your test, for each incorrect answer, find the correct answer. Then explain in detail why it is correct and why your original answer was incorrect. Sign it at the bottom and have your parent/guardian sign it and return it to school by \_\_\_\_\_.
