

LISBON REGIONAL SCHOOL EDUCATION FOUNDATION

WANTS TO HELP YOU THANK A TEACHER!

The Lisbon Regional School Education Foundation (The Foundation) is a New Hampshire non-profit corporation organized in 2000 and qualified as a 501(c) (3) CHARITABLE ORGANIZATION under the Internal Revenue Code. The purpose of The Foundation is to support and enhance the educational experiences of Lisbon Regional Students by raising and providing financial support for school-related groups and programs. The Foundation is governed by a volunteer Board of Trustees who are alumni of Lisbon Regional School and other interested members of the community.

Through donations, The Foundation supports opportunities that do not typically fall within the responsibility of the school's budget. Last year's fundraising drive totaled about \$20,000.00. Since its inception, The Foundation has awarded 262 grants totaling \$156,538.00. An example of one of our grants is Project Launch which allowed all students in Kindergarten through Grade 6 to be introduced to computer programming and robotics.

We have started a program called Thank-A-Teacher. This is a way for parents and others to show their appreciation to a teacher (current or past) for making a difference in a child's education and life while giving back to the school. The honoree will receive a thank you card from The Foundation and an acknowledgment in our annual newsletter. Your donation of any amount will be used by The Foundation to fund grants to enhance the school's programs.

To thank a teacher, send his/her name and a few words explaining why you are honoring this person, along with your tax deductible donation to LISBON REGIONAL SCHOOL EDUCATION FOUNDATION, PO BOX 113, LISBON, NH 03585.
