Dear Dr. Griffin,

Thank you for taking the time out of your day to interview me for this position, I really appreciate it. If I were to get this opportunity I would be able to start saving for my college funds. I am able to bring strong leadership skills and work together with a team of new employees. This can help me in the future with other business opportunities and grow myself as an individual.

Have a Good Day,

Dear Dr. Griffin,

I wanted to take the time to write this thank you note. I just wanted to say thanks for allowing me to be a part of your senior marketing class. DECA has been a life changing high school experience for me. So again I want to thank you for the opportunity of making skills and friends. I am truly grateful for the experience. Thank you again for putting up with us for this long. Your resistance is amazing and I appreciate your teachings. Thank you for your time and take care see you soon

Sincerely your favorite marketing student,
Jennifer
