# MEET THE STAFF

## Mr. Beckham

**The Ethel Band has been working extremely hard for the past few years, and has come so far since then. Here is what Mr. Beckham has to say, "I'm reaching out to jr. high general music, looking for students who want to come back to band, plug in musicians who aren't in band but could get involved by, say, playing a guitar solo at pep rally, or find football players who want to do drumline. In other words, I want to do anything and everything, whatever it takes, to build our numbers and participation. And the way things are looking over at Greenlee, we might double our numbers next school year!" The dedication the students in band have is definitely something everybody should strive for!**

## Player of the week : Elena White

**" MY FAVORITE PART OF PLAYING VOLLEYBALL IS THE COMPETITION AND HOW FAST THE GAME MOVES. IT IS REALLY FUN AND HELPS ME IMPROVE WHILE PLAYING BETTER TEAMS. I SEE MYSELF HELPING THE VOLLEYBALL TEAM BY LIFTING THEM UP AND TELLING THEM HOW THEY CAN IMPROVE. IF ALL I DO IS GET MAD, IT'S NOT HELPING ANY OF US GROW. A GOOD TEAMMATE HAS GOOD SPORTSMANSHIP, IS A HARD WORKER, HONEST, RESPECTFUL, AND STRIVES TO IMPROVE." -ELENA WHITE**

I have been a member of the cheer team for 6 years its amazing how much my tumbling has improved since I started, since its my last year it makes me sad but I'm thankful for all the memories I've made with my teammates. I do not plan to cheer in college although I would like to." - Macee Sisson**
