ETHEL HIGH SCHOOL BASEBALL

Player of the week: Brady White

"I believe I am a very selfless teammate who will do what it takes to win no matter what. I've enjoyed hitting my first home run this season and being able to experience that with this group of guys. I'm looking forward to leading the baseball team next year to hopefully win a lot of games. Honestly, I look up to Cyrus Rone who was always a great role model as a baseball player and a great leader."

JR HIGH STUDENT OF THE WEEK
