# MEET THE STAFF

## MEET THE STAFF:

Ms. Mitchell has joined Ethel High School's staff as the junior high science teacher. After 25 years teaching in another district, she decided she wanted a change. She chose to come to Ethel because it was where she graduated from. Her plans for her students are to teach them to try their best, and to show them that hard work will always pay off.

WHEN ASKED OF HER FIRST IMPRESSIONS OF ETHEL, MS. MITCHELL SAYS, "SO FAR I AM REALLY ENJOYING MY TIME HERE...ALL THE FACULTY HAVE BEEN VERY FRIENDLY AND HELPFUL. THE STUDENTS ARE WORKING HARD".

## MS. MITCHELL

As a Christian, Ms. Mitchell wants her students to see her reflecting Jesus in everything she does. The inspiration behind Ms. Mitchell choosing to be a teacher was all the great teachers and coaches she had throughout her own education, whom she is very thankful for. Her hobbies include watching sports and true crime shows, as well as listening to podcasts.

# HIGH SCHOOL : VOLLEYBALL

"We have the talent to be successful and win games this year. We have improved tremendously throughout the last two years. But we have to stay hungry, come to practice and continue to work hard and get better. Its not about how good the other team is, its about how prepared you are. If we can continue to do this, good things will happen." - Coach Schuster

## PLAYER OF THE WEEK :

Kaylyn Barrett

"My favorite part of playing volleyball is when we get a perfect "bump, set, and spike". It makes you feel good when you make that perfect play and everyone goes wild. I see myself helping the volleyball team this year by being a positive role model with my amazing dance moves and overall positive attitude. A good teammate is going to encourage you and help boost your confidence and is willing to go the extra mile to help ensure the success of the team."

**PLAYER OF THE WEEK: WALTER WILKERSON**

**"I started playing football because it was a way to keep myself out of trouble. Football motivates me to be the best me that I can be. I also plan to help the team win by doing the tasks that the coaches tell me to do and execute the game plan properly. It's definitely a mind set, either you have a will for the game or you are going to struggle."**

*senior cheerleader*

**Markayla JOHNSON**

"My childhood aspiration was to become a high school cheerleader. I've been on the EHS cheer squad for two years. I've improved significantly during this time. My heart hurts knowing this is my last year as an Ethel High School cheerleader; however, I know that I have left an impact on some of the girls on the team, and I know they will thrive and continue to grow in years to come."
