

Monticello Middle School

Targeted Services

After School Program

“The Zone” & Friday Focus

“The Zone”

Monticello Middle School offers two different after school Targeted Services programs. The Zone meets in the Media Center Classroom immediately after school and will meet throughout the school year beginning on October 25th and continuing through May. Students will meet Tuesday and Thursday each week from 2:30-4:00 pm. Students will be supported by qualified staff to meet goals as specified by their individual Continual Learning Plan through academic, social, and recreational activities. Students attending “The Zone” are expected to vacate the school premises by 4:00 pm.

Friday Focus School

Students who attend “Friday Focus” do so at the request of their team of teachers. A student is referred for this service due to a significant amount of missing or late class work that may jeopardize the student’s ability to make academic progress. The program is staffed by teachers and administration and will run from 2:30-5:00 pm on **selected dates** in the Media Center. The dates will be published in the Middle School Matters newsletter. Parents/guardians will be notified of the academic need for students to attend this opportunity.

How Targeted Services Work

“The Zone” program utilizes our Middle School staff who provide a routine of homework help, academic enrichment, and recreational activities two days a week that enable students to attain social and academic goals. Each student seeks personal goals as specified by a Continual Learning Plan composed of recognized needs determined by the student, his or her parents/guardians, and the student’s team of teachers. **Students are recommended to attend The Zone as consistently as they are able to do so on a weekly basis.**

Who Qualifies?

Students may be referred for Targeted Services by parents, teachers, or community agencies. In order to be eligible for services, a student must meet the criteria established by Minnesota Graduation Incentives Act (M.S 124D.68). **Each student and their parents or guardians need to complete the registration form and the Continual Learning Plan included on the back of this form and return to the Middle School Office.**

Targeted Services make a Difference!
