

Third Grade Suggested Activities for Review and Enrichment

Language Arts

IXL Language Arts Topics

Login using the same username and password used in class (Contact your teacher if your child needs his/her username and passwords).

- Go to the Montoursville Area School District Homepage
- Click on the Student Tab
- Click on IXL
- Click on the **Language Arts Tab**
- There will be 3 tabs, click on "Skill Plans"
- Scroll down to "Spotlight" in blue
- Click on 3rd
- Click on **the week** and then review the skills week by week

Read, Read, Read!! If you don't have books at home, check out the following websites to access free book read alouds.

<https://www.storylineonline.net/>

<https://www.readtomeintl.org/>

<https://www.stornory.com/>

Audible.com (Sign up for free account)

Accelerated Reader This has been unlocked for students to be permitted to take tests at home for the time being using their regular login information.

Scholastic Learn at Home: Grades 3-5 website (Begin with Week 1 and work through the daily lessons)

<https://classroommagazines.scholastic.com/support/learnathome/grades-3-5.html>

Writing Activities

<http://www.scholastic.com/teachers/story-starters/> (This site allows students to choose a type of story and spin for random story elements. It then generates a writing prompt and allows students to type their story and print it, if they choose.)

EPIC Books

<https://www.getepic.com/> (Epic Books website) This site has been offered free during this time. It offers a large number of books for children to read. It includes the Accelerated Reader levels. You will receive an email invite from your child's teacher to join.

1. Go to www.getepic.com/students
2. Enter Your Teacher's Code (SEE BELOW)
3. Find your name and go!

(You can open on a phone as well by downloading the app and following the steps above.)

**Loyalsock Valley
Teachers**
Mrs. Holmes = dgq2259
Mrs. Jean = pia7359

Lyter Teachers
Mrs. Bower = ldl0343
Mr. Cott = lyc8934
Mrs. Fortin = tkb1681
Mrs. Ravert = vem4386

Math

Practice Multiplication Facts

Your child can still access Reflex Math (If they have an account) or XtraMath accounts (You can sign up for a free account if they don't have one) from home. You can use flashcards, play multiplication war, or play some of the many free online games available through the links offered to elementary students on the main district website.

IXL Website Math Topics

Login using the same username and password used in class. (Contact your teacher if your child needs his/her username and passwords).
