Mrs. Pledger

Double click on my last name & type in your name.
Adobe will change ALL of the names on the page so you only have to type your name one time. ☺

IMPORTANT INFO:

Be sure you have the most up to date version/update of Adobe Reader before adding your name to the Pop Rocks gift tag.

The fonts and formatting should all stay the same when you try and edit in Adobe. If you are noticing they change to a basic, default font, you probably need an Adobe update. ☺

Printing Tip: Print the Pop Rocks tags using "Fit to Page" and they will be easier to cut. ☺
