**Week of October 7, 2013**

**Dear Parents,**

**Happy Friday! I hope you enjoy your 3-day weekend! Scholastic Book Order Forms are due this coming Monday, October 7, if you wish to order some wonderful books! Our class can win 20 free books if we get enough orders!**

**READING/LANGUAGE ARTS:**  
**DID YOU KNOW THAT KIDS CAN ABSORB MORE KNOWLEDGE BY LISTENING THAN BY READING ON THEIR OWN, THIS IS WHY WE TRY TO READ AT LEAST 6 READ-ALOUNDS A DAY AT SCHOOL. PLEASE CONTINUE TO READ TO YOUR CHILD AT HOME. THIS IS VERY IMPORTANT!!**

**Spelling/Writing:** We are on Unit 5 of our Sitton Spelling. Our Sitton Spelling words for this coming week are (of, in, is) extra words: (you, that, it, but, did, got, and).

**Math:** Unit 2 is Making Shapes and Designing Quilts. Ask your child to find different shapes around the house and tell you what they are.

**Science/Social Studies:** Living and non-living!

**Student of the Week!:** Our class will highlight one student a week. I will send home a "All About Me Poster" home on Friday, please send back on Monday! I am going in alphabetical order! If you attach pictures please note that these posters will be laminated and sent home at the end of the year.
