

Students of the Month September

Pre-Kindergarten

Mariah Henderson
Anna'Lisa Blackmore

Kindergarten

Xavian Dixon
Markel Thomas
Miracle Bryant

First Grade

Taylor Mack
Kelvin Williams
Champion Young

Second Grade

Kaitlyn Webster
Mylee Thompson-Mobley
Kayden Jones

Third Grade

Jakayla Turner
Elijah Cox
Christopher Edwards

Fourth Grade

Kylie Doss
Rayveon Clark
Anthony Willis

Fifth Grade

Romya Walker-Hinton
Delvin Lackey
McKenzie Thomas

JES Mission

The mission of Johnson Elementary School is to develop responsible, lifelong, independent, successful scholars by meeting individual needs in a positive learning environment.

JES Vision

The vision at Johnson Elementary School is to become a caring school where all scholars gain the confidence to become productive lifelong learners.

"Teaching Individuals to Grow and Excel while Reaching for the Stars!"

Tiger Review

JOHNSON ELEMENTARY

October Edition

As the first nine weeks of school comes to an end, we want to thank you for your support thus far. Our scholars are working extremely hard to demonstrate **excellence**. Every day, they are held accountable for the choices they make and we are striving for them to make good choices every day. Our teachers are preparing them to become productive lifelong learners. Please ask your child about activities and classwork and encourage them to make responsible choices. Please be sure to work with your child on his/her homework and read with him/her nightly. Together we can really make a difference in the academic and social development of our students. As a team, we can and will continue to make great things happen at Johnson Elementary School. Thank you for your grace, patience, cooperation, and understanding as we continue in these very different times.

My Best,

Gwyniesha E. Johnson

Principal

ACTIVE PARENT

Please remember to frequently check your scholar's Active Parent account for updated grades/scores. Teachers input grades each week. If you have questions/concerns, please reach out to their teacher(s).

Freckle

Because we realize that school ended unexpectedly last year, many of our scholars require extra help. The intervention program adopted by the district and our school is FRECKLE. Teachers make assignments for classes to complete based on current skills being taught that scholars complete online daily. There is also a very important component of the program called ADAPTIVE SKILLS which is specific to each child's individual needs. We **MUST** ensure that not only are scholars getting online to complete class assignments, but also the Adaptive Skill activities. The adaptive skill activities give them opportunities to experience skill work at their individual ability level and works to grow them toward their expected grade level mastery. We monitor the usage and mastery of Freckle very closely so please make sure that your scholar is using it

IMPORTANT EVENTS

October 2- College Spirit Day!
October 12- Fall Break (No School)
October 20- 1st Term Ends
October 21- 2nd Term Begins
October 26: Report Card Pick Up
October 27: District Professional
Development Day 1:30
October 26- 30 Red Ribbon Week
Reminders:

*Students log on to virtual learning:
7:30am – 7:45am*

*Lunch and Breakfast- 12:00 -1:00pm pick
up from the bus stops or 11 am – 3pm at
Feeding Sites. Lanier and Galloway are
the closet feeding sites for Johnson.*

the cafeteria. Packets can be dropped off
from the previous week as well.*

*Uniform: navy blue or white top with
khaki or navy bottoms. Although
uniform is not mandatory for virtual
learning students must be appropriately
dressed. No bonnets or scarfs.*

JES Updates

Visitors Policy

-Visitors are not allowed in the building at this time. We will handle everything curbside.

In order to register you must call to make an appointment.

We are looking to fill our Pre-K classrooms. If you have a student who will be 4 before September 1st please fill out the PreK application on the Jackson Public Schools Website.

Please Check out Johnson Elementary on Facebook and on our website!! Like our page to ensure timely updates on important information!

PARENT SUPPORT!

Thank you for your continued support as we kick off this great school year. As we move forward to success, I need your help with the following:

- Ensure your scholar logs in on time.
- Ensure students are dressed appropriately and are sitting at a table in a quiet space.
- We record our lessons for our asynchronous students, so be aware of the language you are using.
- We record our lessons, so be mindful that
- You must turn in your student's packet in order for them to receive a grade and be marked present for class for the week. Please turn those packets in on Mondays when you pick up the new packets.
- Please don't verbally or physically discipline students on camera as is being recorded.
- Don't give students answers while they engage in virtual instruction. Their teacher is present to teach them and its okay if they get the answer wrong. Teachers have techniques to help students find the correct answer on their own.
- Remember students will eventually come back into the building and take their exams individually. In order to grow our scholars and our school we need accurate data from students.

Accelerated Reader

Accelerated Reader is up and running! Make sure that your child is reading DAILY. They **MUST** read before they attempt to take the AR quizzes. Books are available to them at the school library, which they may visit on Mondays until 3:00 or they may access them electronically on MyOn or getepic.com. Also, Mrs. Covey shares a book with each class weekly and provides videos/audio recordings on the school library webpage and Google Classroom that allows students to test in AR as well.
