

PowerPoint hacks

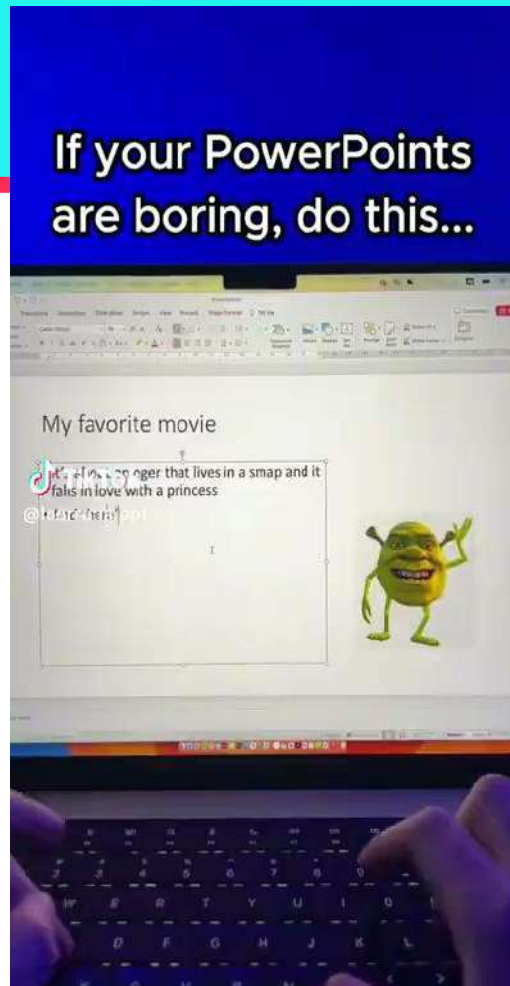

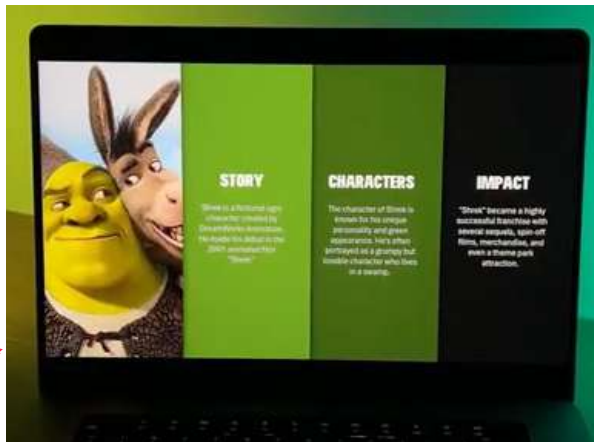

#1 Story Synopsis

Follow the instructions in the video

Use the story or movie you used for your book report video.

Find an appropriate photo.

- Use colors from the photo for your shapes
- Add appropriate headings and text to complete something similar to the video's end result

#2

Info Diagram

Follow the instructions in the video

Use an image of something you've learned about in another class (i.e. a Latin American dish you studied in Spanish)

Find an appropriate photo.

- Use a color inspired from the photo for your accent color
- Add an appropriate heading and text with arrows to complete something similar to the video's end result

#3

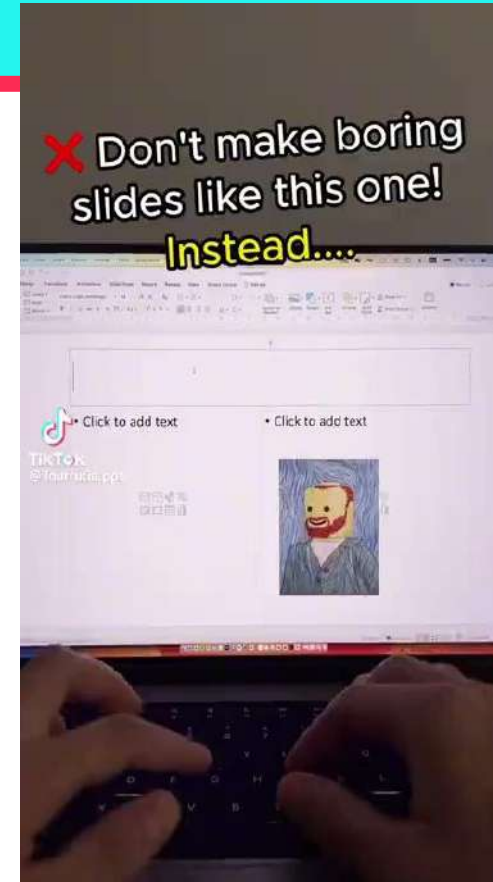

Significant Person Profile

Follow the instructions in the video

Use an image related to someone you've learned about in another class (i.e. art from a famous artist, etc)

Find an appropriate photo.

- Use large text for the person's name
- Add additional informative text as shown in the video

#4

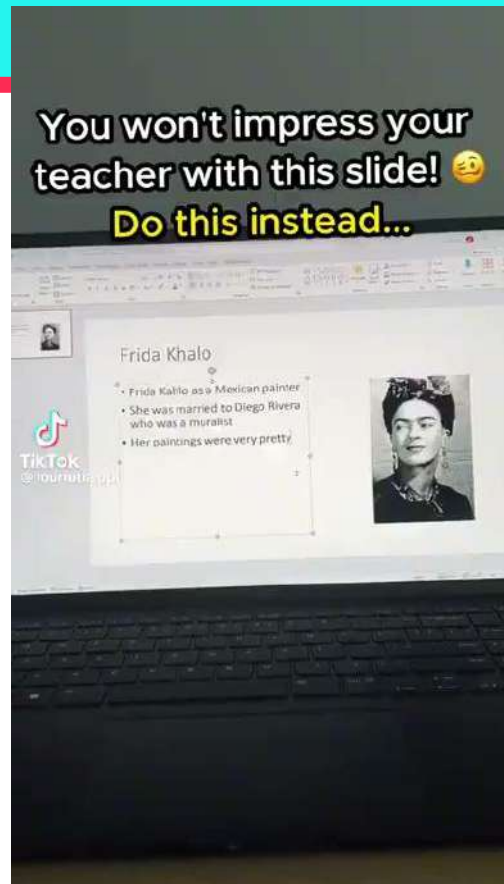

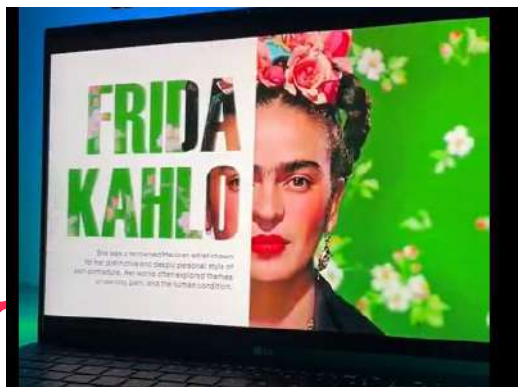

Significant Place/Time

Follow the instructions in the video

Use an image related to a
PLACE or TIME PERIOD you've
learned about in another class
(i.e. a country, the 1920's, etc)

Find an appropriate photo.

- Use large text for the place/time
- Add additional informative text as shown in the video

#5

Fun Facts

Follow the instructions in the video

Use an image related to a topic you've learned about in another class (i.e. the Great Depression, Spain, the Solar System, etc)

Find an appropriate photo.

- Use large text for the heading
- Add additional informative text in a table, formatted as shown in the video
