

"Time of Your Life" by Billie Joe and Green Day

**Another turning point a fork stuck in the road,
Time grabs you by the wrist directs you where to go.
So make the best of this test and don't ask why.
It's not a question but a lesson learned in time.**

**It's something unpredictable,
But in the end it's right.
I hope you had the time of your life.**

**So take the photographs and still frames in your mind.
We'll hang it on a shelf in good health and good time.
So many memories of West Side as a child,
I'm moving on in life and learning all the while.**

**It's something unpredictable,
But in the end it's right.
I hope you had the time of your life.**

IN MY LIFE (Beatles)

**There are places I remember
All my life, though some have changed
Some forever not for better
Some have gone and some remain**

**All these places had their moments
With lovers and friends
I still can recall
Some are dead and some are living
In my life I've loved them all.**

**But of all these friends and lovers
There is no one compared with you
And these memories lose their meaning
When I think of love as something new**

**Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more.**
