

# Welcome Families!

## Annual Meeting

---

### September/ October 2023

# Meeting Agenda

Provide information about our school's Title I-A program for parents of students participating in the program

- Explanation of Title I-A requirements
- Rights of Parent and Guardians
- Our school program
- Curriculum and Assessments
- Parent and Family Involvement

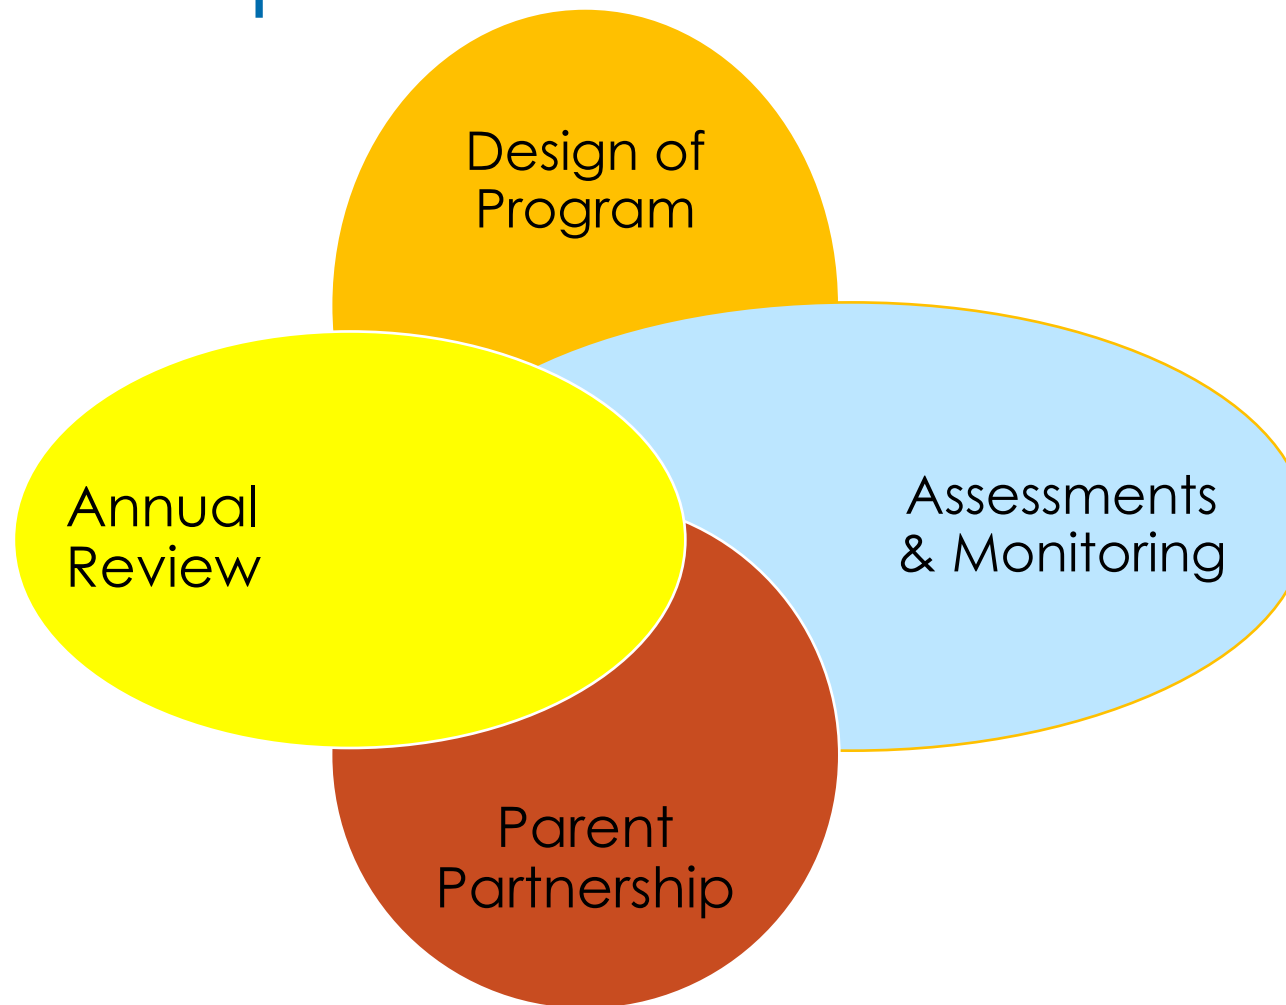

# Title I-A Program

- What is “Title I-A”?
  - Title I-A is United States Government’s largest education assistance program for schools.
  - Funds are used to provide programs to help children who are struggling in reading and math.
  - Extra help (in addition to what they learn during math and reading time in the classroom)
  - Funding provided under ESEA

# Family Rights Under ESSA

- Right to request teacher qualifications
- Request opportunities to meet with staff for parent involvement
- Participate in decisions affecting your child
- Review school's Title I program and make suggestions
- Participate in school activities

# Title I-A Program Components

# How are we doing?

Dibels data indicates that nearly 39% of Yoncalla Students need intensive support to reach grade level- An additional 15% need strategic support.

# Design of our Program

Our school receives school wide Title 1A services, meaning that every student has access to additional, high quality tutoring and small group instruction if the school wide team feels this is the best way to support student learning.

## **What does our program look like?**

- Students are assessed using DIBELS and classroom assessment tools 3 times a year; students below benchmark are given extra ELA opportunities and additional tutoring both inside the classroom and through smaller group instruction outside of the classroom.

# Our School's Curriculum

- We currently utilize Wonders English Language Arts curriculum for school wide ELA. We supplement our reading instruction with Heggerty and UFLI- both support phonemic awareness and learning. For our Title 1 students, we utilize Really Great Reading. For comprehension skills, we use Lexia Learning. This year we are piloting Top Score Writing in our third grade classroom. Our goal is to scale this curriculum for writing for all students next year.
- For math instruction, we use Stemsopes Math.

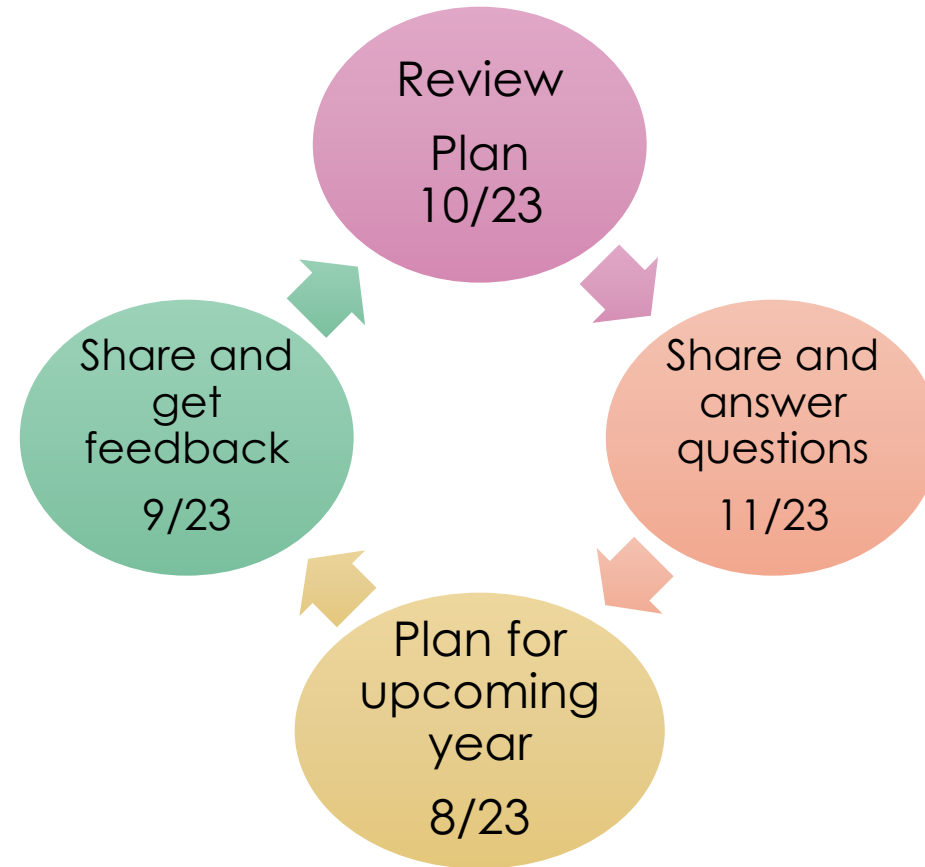

# Assessments and Monitoring

- Our school uses DIBELS Assessments for ELA monitoring, STAR Reading Assessments for comprehension and EASYCBM for math assessments.
- We currently notify all parents of assessment results after our first family/ teacher conferencing in November. If your student qualifies for Title 1 tutoring services, you will be sent notification by your classroom teacher ... usually by the third week in September.
- Every student will be monitored and reassessed every 6 weeks. You will be notified by your students' teacher if your student no longer requires extra support through Title 1 services or if joining a group could better support your student's progress.

# Family Involvement/ Governance

- Yoncalla Elementary School prioritizes their partnerships with families and relies on our relationship when serving all students.
- Families are invited to be part of both monthly site council meetings and monthly YEP's meetings
- Families and students are an integral piece of a community school compact- an agreement between the school, families and students to create a learning environment where everyone feels valued, safe and connected.

# Annual Review and Evaluation

# Opportunities for Partnership

- YEP's Parent Leadership Group –meets monthly.
- Volunteering in the classroom
- Site Council
- Questions?

Yoncalla Engaged People is a group dedicated to building a supportive community of Students, Families and Educators to strengthen STUDENT SUCCESS.
