

# TITLE IX SUMMARY

**Title IX states that:** No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.

**Title IX District Coordinator- Scott Boen**

**Roles and responsibilities-** Updates our district website ensures all forms and reporting documents are in compliance with regulations.

**Title IX Building Coordinator/ Building principals-** Primary role is the decision maker in each building after the investigation is complete. Our CV and Linderman principals with assistance from the SPED director can be the investigators so they're not investigating and decision making decisions within their buildings. PMS and PHS assistant principals will be the investigators on student allegations for Title IX claims.

**Appellate Decision Maker-** The District Superintendent will be the decision maker on all appeals.

Notes from the webinar that need clarified: Decision Maker needs question and answer forms, complaint forms accessible 24/7 on our website, Aug 5th webinar doesn't fulfill the PD requirements of the law? Next steps for staff PD?
