# TMCHS Mission, Beliefs and Values

## **Mission**

Prepare students for a changing world while preserving our culture and heritage.

## **Vision**

Educate and nurture the whole child to empower choices and pathways for success.

## **Beliefs and Values**

As a school system, we are committed to the 7 Teachings in everything we do:

**Wisdom**

**Love**

**Respect**

**Bravery**

**Honesty**

**Humility**

**Truth**

## TMCHS Improvement Goals for 2024-25

1. Students in grade 9-10 will show a 3% increase in ELA from beginning of year (BOY) assessment to end of year (EOY) assessment as measured by ND A+ Assessment.
2. Students in grade 9-10 will show a 3% increase in Math from beginning of year (BOY) assessment to end of year (EOY) assessment as measured by ND A+ Assessment.
3. Students in grade 9-12 will show a 3% increase in Attendance from beginning of year to end of year as measured through the student information reporting system.

# Highly Qualified Staff

The TMCHS meets the ND State and BIE requirements for [highly qualified staff](#).

# TMCHS Data

The public information on school data can be found at <https://insights.nd.gov/>>Explore Public K-12>Data for Specific District or School>Turtle Mountain Community High School>Dashboards>School Summary or School Accountability

1. [North Dakota State Assessment \(English/Language Arts, Math, and Science\)](#)
2. [North Dakota Insights for School Data](#)
  - a. Graduation Rate
  - b. Completer Rate
  - c. English Learner Growth (not applicable for TMCHS)
  - d. Student Engagement
  - e. English Language Arts/Math Proficiency
  - f. Choice Ready

# Continuous School Improvement

The Turtle Mountain Community High School has a unique school improvement process, following both the State of ND and the Bureau of Indian Education (BIE). Although some of the wording for each program varies, the school improvement cycle remains the same: Plan ➡ Do ➡ Study ➡ Act

The [School Renewal Guide](https://www.nd.gov/dpi/districtsschools/essa/accountability-support-improvement/continuous-school-improvement) for North Dakota Public Schools can be found on the ND Department of Public Instruction website at <https://www.nd.gov/dpi/districtsschools/essa/accountability-support-improvement/continuous-school-improvement>

# School Improvement Process

The processes for each are housed electronically on two systems:

1. Cognia - North Dakota
  - a. [TMCHS 2024-25 Strategy Map](#)
2. Plan4Learning - BIE
  - a. [BIE TMCHS 2023-24 Campus Improvement Plan](#)

*\*Note-for more information on the School Improvement Process at TMCHS, please contact Cindy Keplin, School Improvement Coordinator at 701-477-6471 Ext. 3650.*

# Exit of Targeted School Improvement Status(TSI)

## **Our school was notified that we met the criteria of exiting Targeted Support and Improvement status within the required timeline!**

Our exit was highly influenced by our intense increase of Choice Ready Graduates! TMCHS increased this percentage by 19%

What we are doing to continually address this?

- Continued implementation of the Multi-Tiered Support System to assist students in ELA and Math to bring all learners to grade level.
- Incorporation of Restorative Practices for discipline including the 7 Teachings as a foundation for behavior
- Increased student engagement and teacher training to support engagement in the classroom.

[Official Notification of Exit of TSI](#)

More information on TSI can be found at:

<https://www.nd.gov/dpi/districtschools/essa/accountability/targeted-support-and-improvement>

# Turtle Mountain Community High School

District: Belcourt Public School District

Choice Ready (2023-2024)

Overall Performance

[Demographic Performance](#)

[Explanation](#)

## Choice Ready Growth

Below are the values that describe the two year growth of the school's Choice Ready Progress.

Growth:

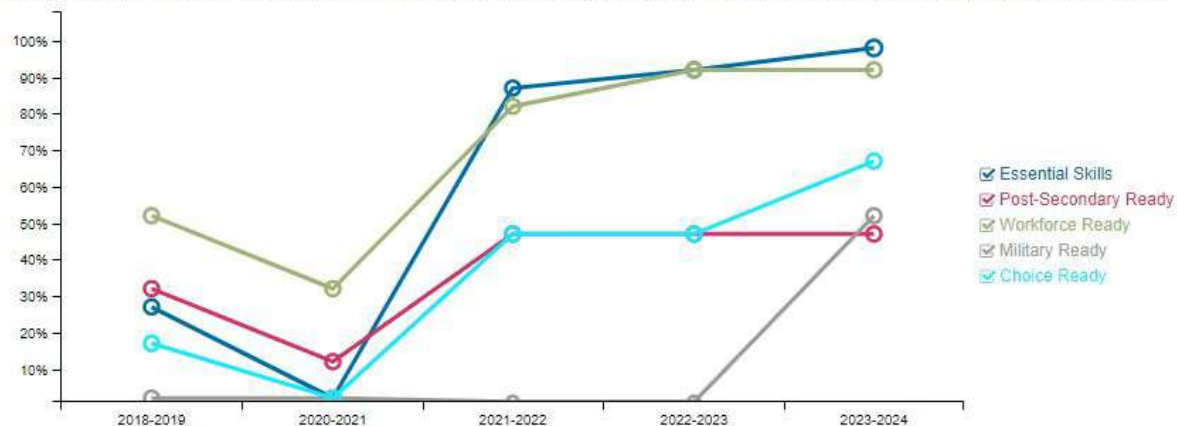

19.00%

Annual Target:

141 of 141

## Choice Ready Metric Performance

This chart shows percent of graduates that meet Choice Ready requirements along with the percent that meet each metric that composes Choice Ready.

# MTSS-Multi Tiered System of Support

MTSS is system used at the school to help all students reach their full potential by instructing them at the appropriate level for them to learn best. The [High School Academic Guide](#) shows the parts of the process.

It involves three levels:

Tier 1 - This is the level that all grade level instruction takes place.

Tier 2 - This is where students who have some areas of weakness receive extra support in the area needed.

Tier 3 - This is where students more than 2 grade levels behind their peers get instruction to build their foundational skills by providing more individualized and intensive instruction. Please see the [MTSS Parent Information Chart](#) for more detailed information.

# Parent and Family Engagement

Please see the attached TMCHS Title I Parent Involvement Policy for 2023-2024 School Year.

- [TMCHS Parent Involvement Policy SY 24-25](#)

# Homeless Information

The following resources for homeless students can be found at the [Belcourt School District website](https://www.belcourt.k12.nd.us/#>Resources>Student/Parent Resources) at <https://www.belcourt.k12.nd.us/#>Resources>Student/Parent Resources>. They are also linked below:

[Homeless Brochure](#) - gives guidance and resources with contact information for homeless students.

[Homeless Data Collection Form](#) - McKinney -Vento Program - gathers information from parent/guardian to share with school staff and local agencies to support any child/family who is homeless.

[Homeless Housing Questionnaire](#) - This is a questionnaire filled out to determine homeless status. It is part of the enrollment package

## Other Information

- TMCHS has a [7-period day](#). Please see the schedule in your packet.
- The TMCHS follows the [calendar](#) located on the Belcourt School website
