

TOP PHOTOGRAPHER CHALLENGE

Challenge theme-
REFLECTION and REFRACTION

THE RULES...

01

TIME and PLACE

You must shoot photos at school in the time provided - 30 mins.
You need a pass to photograph outside of the classroom.

02

EQUIPMENT

You may use and SLR or phone camera.
You may use any equipment or props supplied by the teacher or that you have supplied yourself

03

NO EDITING

You are not permitted to edit your image.

04

UPLOAD YOUR IMAGE

You must upload your image by the nominated time to our **Padlet Top Photographer Challenge** board using the correct link on the classroom.

WISE WORDS...

EYE

Try to see things in a new or unusual way.

- Crop within the camera.
- Make use of angles.
- Check your background.

TIME

Use all of your available time. Use your time to explore the theme and experiment.

Take more photos than you think you need.

PUSH IT

Push yourself to try new ideas and to make the best images you can.

FEEDBACK...

You can rate each photograph by giving stars. (1-5 where 5 is the best)

You can provide verbal feedback to each photographer by leaving them a comment about their photograph on Padlet.

Please keep you comments constructive rather than critical. Basically... be helpful, not hurtful.

Your comment will appear after it has been approved.

literally bringing
something into
existence that didn't
exist before."
