### CHORUS

I want to take a little trip somewhere, yeah  
Places I've never been, yeah  
Going on tour without a care  
I want to take a little trip somewhere, yeah  
Places I've never been, yeah  
Going on a tour, tour, tour

First, I'm gonna see Nashville, Tennessee

Then Madison, Wisconsin, is where I gotta be, yeah

Then I'll take a plane

*(Well actually I'm afraid to fly, so I think I'll take the train)* **Let's go! Go! Go !**

Going to Trenton, New Jersey; Frankfurt, Kentucky

Maybe take a trip to Jackson, Mississippi

Let's see \_\_ what they can show me \_\_ in Jefferson City, Missouri

Santa Fe, New Mexico; Denver, Colorado, Boise, Idaho, I love it every time that I go

In 1492, he sailed the ocean blue, but next week I'll see Columbus in Ohio

Grab a little sunshine in Tallahassee, Florida Take a bite of a peach in Atlanta, Georgia

\_\_ I've never been to Carson \_\_ City, in Nevada, or Lincoln, Nebraska

You can catch me in Phoenix, Arizona, \_\_ or Sacramento, California, \_\_ yeah

St. Paul, Minnesota, \_\_ maybe \_\_, Juneau, Alaska, yeah

### CHORUS

Boston, Massachusetts; Concord, New Hampshire \_\_\_ Going to Vermont for Montpelier \_\_\_ Montgomery, Alabama,  
\_\_\_ then Washington D.C., \_\_\_ to see the nation's capital  
Aloha \_\_\_ to Honolulu, Hawaii, Des Moines, Iowa, so peaceful to me  
\_\_\_ Going to Springfield, Illinois, to build a little house on a prairie  
\_\_\_ In Little Rock, Arkansas, I love what I saw  
Going back to Dover, Delaware, 'cause I want more \_\_\_  
Indianapolis, Indiana, and Hartford, Connecticut, need an encore  
Smelling pine trees in Augusta, Maine I like Topeka, Kansas, I'm glad that I came  
But I've never been to Salt Lake City, in the Utah, or Richmond, Virginia  
Going to see Bismarck, North Dakota, and Charleston, West Virginia, yeah  
Annapolis, Maryland, maybe Lansing, Michigan, yeah

Helena, Montana; Columbia, South Carolina  
Got to go to Pierre, South Dakota, yeah, follow if you wanna  
I'll be eating a banana in Baton Rouge, Louisiana Schedule that on my planner  
Friends say I gotta come sooner to Oklahoma City, Oklahoma So I guess I'm gonna  
But first I'm going to Cheyenne, Wyoming, then party in Raleigh, North Carolina, YEAH Harrisburg, Pennsylvania,  
can't think of a rhyme for Pennsylvania  
So I'm skipping to Salem, Oregon, then Austin, Texas  
And then maybe Albany, New York, for breakfast  
Providence, Rhode Island, was a blast, and, Olympia, Washington, was just the best-est
