A 3D rendered image of Woody from Toy Story 2. He is depicted in a dynamic, mid-stride pose, appearing to gallop or dance across a light-colored wooden floor. He is wearing his signature brown cowboy hat, a yellow and black plaid shirt with a white cow-print vest, blue jeans, and brown cowboy boots with spurs. A red bandana is tied around his neck, and a gold star-shaped badge is pinned to his vest. His right arm is raised with an open hand, and his left leg is bent. The background consists of a light blue sky with several soft, white, puffy clouds. A white baseboard separates the floor from the wall.
