<https://www.albemarle.edu/wp-content/uploads/associate-in-science.pdf>
- ❑ **General Education Requirements at the UNC system school**
- ❑ **Each school in the UNC system has aligned with standards set in articulation agreement – websites used to help students understand how courses transfer.....for example MAT 171 = MAT 111 at UNCW, BIO 111 = BIO 201 at UNCW**

Helpful Websites in the Process:

<http://www.northcarolina.edu/Transfer-Student-Success/NC-Community-College-Transfer>

This is the UNC System page the Comprehensive Articulation Agreement (CAA) with the NC Community College System. Students should access the Bachelor Degree Plans (BDPs) (which are located on the bottom of the web page above) as they plan their courses and intended major for transfer. The BDPs map the specific community college courses needed for each major at each institution.

WHAT YOU NEED?
