

**Plans for Week 1; Day 1, Day 2, and Day 3**

Students, you will be exploring three different careers that you are interested in. On Day 1 you should explore your first career. On Day 2 you should explore your second career. On Day 3 you should explore your third career.

Follow the following directions each day.

Go to [www.careercruising.com](http://www.careercruising.com)

Students need to log in using the following:

Username: monroetownships

Password: newjersey

Once you log on the site if you are not sure which career to explore first click on career matchmaker and answer the 39 questions. (You already did this earlier in the year. You only need to do this again if you are not sure which career you want to explore. Once you complete the matchmaker you can choose from the careers on the list.) If you do not want to do the career matchmaker again, **Click on explore careers.**

**Click on Search by index.** For example: Go to the letter **C** if you are interested in a career that begins with **C**. If you are interested in **Carpenter** or **Computer Engineer** you would click on them. You can go to any career in the index. The career choices will be different for each student.

Remember, explore 3 careers that interest you.

Before completing the written assignment you are to read the following on the 3 careers you choose. **Read the: Job Description, Working Conditions, Earnings, and Education** on each. Once you are on the career you choose the four areas you need to **READ FIRST** can be found under **general information** to the left of your computer. You will explore one career each day. If you do not have internet at home this assignment should be completed at the Monroe Township Library or the Jamesburg Library.

After you have read the 4 sections on the career, complete the attached worksheet, one each day for three different careers. Using the **Career Exploration** guided worksheet, complete a sheet on three different careers.

Make sure you download the entire assignment. Print the attached pages and complete all work.

## CAREER EXPLORATION (WEEK 1, DAY 1)

Name\_\_\_\_\_ Date\_\_\_\_\_

Career Title of Interest: \_\_\_\_\_

What type of training/education do you need in order to become qualified for this career?

---

---

---

---

---

What kinds of skills are necessary to be successful at this career?

---

---

---

---

---

---

What are the daily responsibilities of this career? \_\_\_\_\_

---

---

---

---

---

---

---
