

To attach two pieces of cardboard, cut slits in each side so they can slip into one another.

To have a bend, score where you want the bend with a blade, but don't go all the way through.

Make a pet palace
right meow

70s swag

Woohooo Lemmon on a pear

Outside can be done with paper mache- use flour and water, make the shape out of either balloons or balled up news paper that you take out after to make after, if you have any questions please email me (:
