## TREATMENT & THERAPIES-OTHER THERAPIES -PT, OT, SLP

Blue Ridge Therapy Associates - 0 and up

We are a therapist owned and locally operated, comprehensive outpatient rehabilitative facility. We employ licensed speech language pathologists, occupational and physical therapists. Our clinicians are trained to provide therapy for people of all ages. Our goal is to provide quality evaluations and therapy, uphold strict ethical standards, and to curtail healthcare costs for families and individuals as much as possible. We develop individual treatment plans and encourage therapeutic home programs by involving family members in therapy sessions through both direct interactions and observation
