

Consolidation and the Tippecanoe School Corporation

The Indiana General Assembly passed the School Reorganization Act in 1961, with school reorganization becoming effective July 1, 1962, in Tippecanoe County.

All township schools in Tippecanoe County with the exception of Montmorenci, in Shelby Township, and Crouch School, in Fairfield Township were consolidated into one unit called the Tippecanoe School Corporation. At the time of reorganization TSC was made up of 15 schools—Clarks Hill, Buck Creek, Battle Ground, Dayton, East Tipp, Elston, Jackson, Klondike, Monitor, Romney, Shadeland, Southwestern, Stockwell, Wea, and West Point.

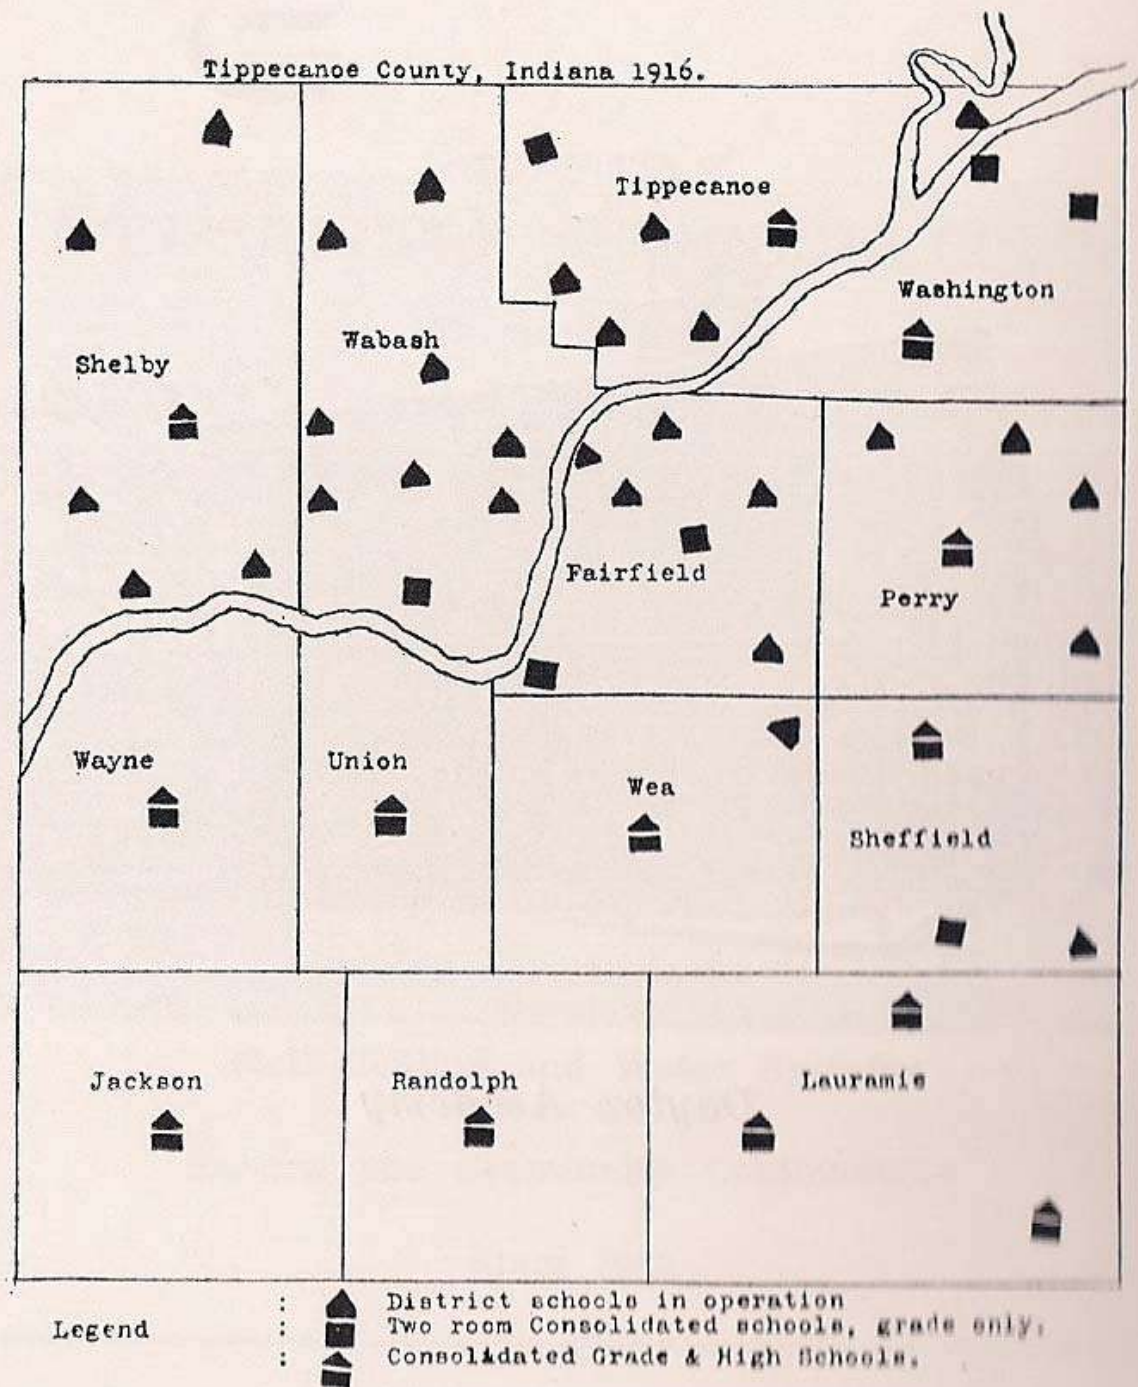

**A BRIEF LOOK
BACK...**

Year:
1894

In
Tippecanoe
County there
were 142
schools.

By 1916
consolidation
had reduced
the number
of schools to
49.

Tippecanoe County has had 24 high schools since the early 1900s, according to a list compiled by the IHSAA.

The list of schools followed by the year the high school was consolidated with another one:

- Gladden's Corner, 1929
- Clark's Hill, 1955
- Stockwell, 1955
- Jackson Township, 1956
- Romney, 1956
- Shadeland, 1956
- Wea, 1956
- West Point, 1956
- Lafayette St. Francis, 1957
- Buck Creek, 1958
- Monitor, 1958
- Dayton, 1965
- Lauramie, 1965
- Montmorenci, 1966
- Battle Ground, 1970
- East Tipp, 1970
- Klondike, 1970
- Southwestern, 1975
- Wainwright, 1975
- Harrison, still in use
- Lafayette Central Catholic, still in use
- Lafayette Jefferson, still in use
- McCutcheon, still in use
- West Lafayette, still in use

Capacity.....1,350 students
Building Area.....210,000 sq. ft.
Cost.....\$4,780,687

McCutcheon High School 1975

Total cost of building and
equipment: \$9,000,000

Then and now...

1926 Buses lined up in front of Klondike High School.
They replaced horse-drawn hacks heated in the winter by
center coal-burning stoves.

2012 Tippecanoe School Corporation is
the first school corporation in the state to
have propane-fueled buses.

LAFAYETTE, Ind. (WLFI) - Propane school buses are making their way to Indiana and Tippecanoe School Corporation (TSC) is the first and only corporation to have them.

In **1963** Fay O. Wainwright donated thirty acres to TSC to build a school which would be named in honor of her parents. Every year the Wainwright High School band would serenade Miss Wainwright on her birthday.

Spring Break **2013** Harrison High School's
Marching Band will again perform at Disney
World.

WILL ONE OF THESE MAVERICKS BE THE FINAL CHOICE?

Mavericks To Romp At McCutcheon

By Kathy Matter
Staff Writer

There's a faint sound of hoofbeats in the future. The McCutcheon Mavericks are coming.

The rampaging bull maverick will be the mascot of the school which will consolidate Wainwright and Southwestern high schools in the fall of 1975.

The official colors of McCutcheon High, located five miles south of Lafayette, Indiana 43 will be cardinal red and gold.

Wainwright's nickname is the Mustangs and Southwestern's is the Wildcats.

The decision was made by a vote of present eighth-, ninth- and tenth-graders at Wainwright and Southwestern and Wea and Southwestern junior highs who will make up the first student body of the new school.

Over 150 suggestions for mascots and colors originally were submitted by students and pa-

trons before the list was narrowed.

The Wolfpack, Marauders, Wolverines and Golden Eagles were among the suggestions for the mascot. Colors ranged from silver and black to red, white and blue.

A committee of five freshmen and sophomore students from Wainwright and five from Southwestern narrowed the choice to three and a vote was taken in March.

Wainwright students were Carson Meeks, Janet House, Mary Ann Yost, Pat Murtaugh, Mike Roberts and faculty sponsor Dan Shelly. From Southwestern were Kevin Neal, Doug Curry, Sheila Horn, Mary LeFevers and Randy Byers, with faculty sponsor Dave Ellison.

Just what the final Maverick emblem will look like is up to this committee.

Principal Joe Pickard said students will be asked to submit drawings of their visualization of a Maverick for the group to choose from.

1958 Diploma Requirements

REQUIREMENTS FOR HIGH SCHOOL GRADUATION

1. English—(English 9, 10, 11).....	3 units
2. Social Studies—	
U. S. History	1 unit
Citizenship including U. S. Government.....	1 unit
3. Mathematics	1 unit
4. Science (Biology, Physics, or Chemistry).....	1 unit
5. Health and Safety Education.....	.5 unit
6. Physical Education5 unit
<hr/>	
Total (required work).....	8 units
Total (electives)	8 units
<hr/>	
GRAND TOTAL	16 units

A unit is equivalent to two credits.

A unit is comprised of five classroom periods a week of prepared work for two semesters. In subjects requiring no preparation units are determined as follows: (Number of periods a week) times (Number of semesters) times .1.

Units should be so arranged that the pupil will have two majors and two minors. A major consists of 3 units in the same field. A minor consists of 2 units in the same field.

2012-13 Diploma Requirements

Course and Credit Requirements	
English/ Language Arts	8 credits
	Including a balance of literature, composition and speech.
Mathematics	6 credits (in grades 9-12)
	2 credits: Algebra I 2 credits: Geometry 2 credits: Algebra II <small>Or complete Integrated Math I, II, and III for 6 credits. Students must take a math or quantitative reasoning course each year in high school</small>
Science	6 credits
	2 credits: Biology I 2 credits: Chemistry I or Physics I or Integrated Chemistry-Physics 2 credits: any Core 40 science course
Social Studies	6 credits
	2 credits: U.S. History 1 credit: U.S. Government 1 credit: Economics 2 credits: World History/Civilization or Geography/History of the World
Directed Electives	5 credits
	World Languages Fine Arts Career and Technical Education
Physical Education	2 credits
Health and Wellness	1 credit
Electives*	6 credits <small>(College and Career Pathway courses recommended)</small>
40 Total State Credits Required	

Effective beginning with students who enter high school in 2012-13 school year (class of 2016).

For the **Core 40 with Academic Honors** diploma, students must:

Complete all requirements for Core 40.

Earn 2 additional Core 40 math credits.

Earn 6-8 Core 40 world language credits

(6 credits in one language or 4 credits each in two languages).

Earn 2 Core 40 fine arts credits.

Earn a grade of a "C" or better in courses that will count toward the diploma.

Have a grade point average of a "B" or better.

Complete one of the following:

Earn 4 credits in 2 or more AP courses and take corresponding AP exams

Earn 6 verifiable transcribed college credits in dual credit courses from priority course list

Earn two of the following:

A minimum of 3 verifiable transcribed college credits from the priority course list,

2 credits in AP courses and corresponding AP exams,

2 credits in IB standard level courses and corresponding IB exams.

Earn a combined score of 1750 or higher on the SAT critical reading, mathematics and writing sections and a minimum score of 530 on each

Earn an ACT composite score of 26 or higher and complete written section

Earn 4 credits in IB courses and take corresponding IB exams.

with Technical Honors (minimum 47 credits)

For the **Core 40 with Technical Honors** diploma, students must:

Complete all requirements for Core 40.

Earn 6 credits in the college and career preparation courses in a state-approved College & Career Pathway and one of the following:

Pathway designated industry-based certification or credential, or

Pathway dual credits from the lists of priority courses resulting in 6 transcribed college credits

Earn a grade of "C" or better in courses that will count toward the diploma.

Have a grade point average of a "B" or better.

Complete one of the following,

Any one of the options (A - F) of the Core 40 with Academic Honors

Earn the following scores or higher on WorkKeys; Reading for Information – Level 6, Applied Mathematics – Level 6, and Locating Information-Level 5.

Earn the following minimum score(s) on Accuplacer: Writing 80, Reading 90, Math 75.

Earn the following minimum score(s) on Compass; Algebra 66, Writing 70, Reading 80.

Schools may have additional local graduation requirements that apply to all students

* Specifies the number of electives required by the state. High school schedules provide time for many

more electives during the high school years. All students are strongly encouraged to complete a College and Career Pathway (selecting electives in a deliberate manner) to take full advantage of career and college exploration and preparation opportunities.
