

Turkey Feather

Thanksgiving is a time to be thankful for all that we have. What better thing to be thankful for than our own child. We will be making a "Class Turkey" to be displayed outside the classroom. Each parent is to write a few sentences on the attached feather and state why they are thankful for their child. It does not need to be fancy. Please include the following on the feather:

- Your child's name
- Why you are thankful for your child
- Picture of your child

Please return your feather by
Friday, November 15.

Have fun decorating!

An Example for Inspiration:
