Make financial decisions that reflect the district mission with primary focus on student needs.

Communicate openly and consistently the communication processes which involve those within the school system and the broader community of stakeholders.

District Highlights:

- We are proud to be a "No Excuses University" school system preparing all students for college! You will find a college/university focus at all grade levels beginning in Kindergarten. Fairborn Intermediate School is the first "No Excuses University" in the State of Ohio!
- Fairborn is working with the National Math and Science Initiative Advance Placement program which will provide private support of Advance Placement courses at FHS. Fairborn is the first school in Ohio to receive \$360,000 in grant funding to enhance these courses. The National Math and Science Initiative will provide support for AP teachers and incentives for college bound Skyhawks including college credit and monetary incentives! FCS thanks Boeing and NMSI for this great opportunity!
- Fairborn offers excellent special education, gifted, and college prep classes. Fairborn is also proud to have STEM curriculum at Baker Middle School and Fairborn High School. Please visit the Project Lead the Way website at www.pltw.org to learn more about the middle school and high school curriculum offered in our district.
- For specific course offerings at Fairborn High School please click on the link: www.fairborn.k12.oh.us/docs/Program%20of%20Study%202011-12.pdf You will find Project Lead the Way course offerings at Fairborn High School.
- Fairborn works closely with Wright State University and Wright-Patterson Air Force Base to enhance the educational opportunities for our students and staff. We are approximately 15 miles from the city of Dayton and approximately 60 miles from Columbus, Ohio.
