The Twilight Zone: *The Arrival*

1. What's one of the theories why there's no one on the plane?
2. How many passengers were supposed to be on the plane?
3. Where did the plane take off from?
4. What are the differences that the men see on the plane? (There's 2)
5. What is Mr. Sheckly's "theory?" How does Sheckly plan to test his theory?
6. What happened to Flight 107?
